

TROY M10A1

308 Rifle // Government Carbine // CSASS

TROY 308 RIFLE

TROY's 308 Rifle is a sturdy and among the lightest in its class weighing in at 8.5 pounds. Built with a TROY 13.8" Alpha 308 Rail, which disperses heat and runs cooler than most other rails on the market, the 308 features some of TROY's other top sellers: TROY 7.62 Medieval Muzzle Brake, Lightweight 16" barrel, BattleAx Control Grip, TROY Rear Folding BattleSight and TROY M4 Folding BattleSight. Includes a 20 round steel magazine. Available in Black only.

TROY M10A1 RIFLE GOVERNMENT CARBINE

TROY's M10A1 Rifle takes the TROY 308 to the next level with an upgraded Geissele G2S trigger and TROY Squid Grips for exceptional grip even in wet or dirty conditions. Features a 1/11.25 twist heavy fluted match barrel and weighs in at only 8.75 pounds. Includes a 20 round steel magazine. Available in Black only.
